Subject: Credit Cards

Frank,

I enclose a list of creditors with the 10% amount which I propose to pay as an initial distribution. I seemed to have misplaced the email you sent with the information on the "disputed" cards. Could you resend this email. I plan to make an initial 10% distribution this week, and object to any creditors which are questionable.

I am working with Tom to get all old tax returns filed.

Thanks,

George Nader
